VINAY KUMAR SETHIYA

Director

Luxayor is a self – made luxury brand that aims to deliver the finest products through a custom made production method. The name itself is curated from the term "Luxury", since we are trying to create a luxurious experience for our consumers. We are enriched with talented workers and craftsmen, their approach to production is rather 'make to order' kind. Luxayor is a blend of creativity, professionalism and imagination.

We are passionate about new and innovative designs and we are aspiring to create a luxury market for tailor made interior services that suits all tastes and design specifications. Our furniture is bespoke. When we talk about our interior designing trends we tend to talk about functional designs. Our ultimate dream is to create furniture that lasts forever and defines us. Luxayor is all about statement pieces – from luxury finishes to bold colours.

Our creative process at luxayor begins hand in hand with the client by conceptualizing a logical series of solutions that compliment and combine perfectly. We continuously challenge and aim to redefine the face of design by creating the ultimate experience of space with a philosophical approach to design, rooted in inspiration and honoring the context of a projects location. Luxayor is a design brand that reflects an intense way of living, bringing fierceness, strength, and power into an urban lifestyle.

The guiding principles of consistency and focus are reflected in all the aspects of design and construction. Our experience is in producing customised and using high quality furnishings mainly using plywood, teakwood and other varieties of solid wood. The high quality of the final product is always a priority.

Focusing on the key fundamentals of quality, design and elegance, Luxayor delivers exquisite furniture that makes a perfect backdrop to your precious home. No detail or element is overlooked as we offer the best at the frontier between design and art . We not only provide luxury residential and commercial furniture but also wall decor and upholstery. Luxayor offers a wide spectrum of styles from traditional to modern. Luxayor products are specifically designed for design lovers with up to

We have developed products that allow us to coat a variety of surfaces and materials including sheet and prefabricated metals, wood, MDF, glass, fibreglass, plasterboard, polystyrene, fabric with a solid veneer. We also have the facility to prepare the substrates of glass reinforced polyester and we also offer CNC and hand carving services. We have streamlined the bespoke process utilizing technology to offer an exceptionally curated, interactive and exclusive customization experience.

“*Luxury must be Comfortable, Otherwise it is not luxury*”

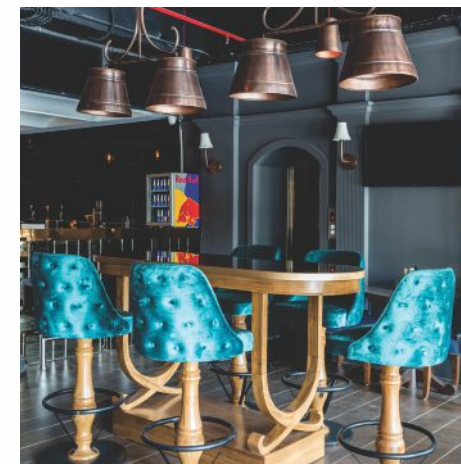

“*I think there is something about luxury - it's not something people need, but it's what they want.*”

Luxayor's approach to a successful project is based on detail in two very important areas. Attention to detail is both paramount in design and customer service. The client's need becomes the platform for how we conceptualize the design and a uniquely creative vision is developed. Details help pave the project to come full circle with the end result being a superior designed space and a happy
